

Knox Pick-Me-Up

SPONSORSHIP

Put your name on the safe ride home.

Knox Pick-Me-Up thanks people who line up a safe ride home downtown with a free coffee the next morning. A sponsorship underwrites those coffees — and rides on the materials already in every participating bar and coffee shop.

WHAT A SPONSORSHIP FUNDS

The free large coffee and free KAT ride each card gives a patron who chose not to drive. Every dollar goes to the offer, not overhead — the whole system runs on free tools (see the program facts at knoxpickmeup.org).

WHERE YOUR LOGO RIDES

- Card backs — a “printing donated by” slot on every Morning Pick-Me-Up card handed out at the bar.
- Coasters — the same slot on the two-sided coasters that sit on tables in every participating venue.
- The program mark always stays; your logo shares the piece, it never replaces it.

LOGO SPEC

Send a vector SVG with a viewBox (or width/height). A single-color or high-contrast logo reads best — it prints small and sits on a white chip so it stays legible on the navy card back and the paper coaster alike. No alcohol-brand logos on these patron-facing pieces (a program rule).

TIERS & PLACEMENT

Placement runs by print wave (a wave is tens of thousands of coasters and cards). Tiers scale with how many venues and waves your logo appears in — ask for the current rate card; we’ll match a tier to your budget and print schedule.
